

AIM Consulting demonstrates its commitment to our customers' privacy by providing this statement. We will do everything in our power to ensure your right to privacy. We are committed to developing long lasting relationships that are built on trust. AIM Consulting will never violate that trust.

### **AIM Consulting Will Not Sell Your Personal Information**

AIM Consulting keeps all your information strictly confidential.

### **Policy Changes**

AIM Consulting is dedicated to providing the best web hosting, website design and Internet development services possible to every one of our clients. We are also dedicated to staying on top of available technology.

While AIM Consulting will provide our clients with reasonable notification, AIM Consulting reserves the right to change its policy at any time to meet the needs of our customers, changing laws and new technology.

### **Cookie Policy Statement**

AIM Consulting understands that many of you are concerned about cookies. We provide this Cookie Policy Statement to let you know how we use this technology. AIM Consulting uses cookies to help us improve our website and web hosting services, and, most importantly, provide our existing customers with the opportunity for continued savings and increased convenience.

### **Cookies For Improving Our Web Site**

AIM Consulting uses cookies to inform us of a repeat visit. The cookie does not tell us who you are, your name, email address, or Passwords.

### **Cookies For Customer Account Management**

For our customers, AIM Consulting uses cookies to store user names for added convenience to the Webmaster. As part of our web-hosting package, AIM Consulting offers password-protected web-based management tools. By storing the customers' Usernames in a cookie, the Webmaster will not have to keep filling out form fields when they desire to manage their account. (The cookie does not store Passwords.) AIM Consulting is dedicated to using the newest technologies in order to simplify our customers' lives.

This is AIM Consulting Internet, Inc.'s Usage Policy, which supplements the service agreement of each user of AIM Consulting's services (each, a "Subscriber"). Every Subscriber is subject to this Usage Policy, and by virtue of using AIM Consulting's services, network, and/or systems (collectively the "Services") agrees to be bound by this Usage Policy. AIM Consulting will revise this Usage Policy from time to time. A Subscriber's use of the Services after revisions to the Usage Policy are posted on AIM Consulting's website at [www.aimwwwwebs.com](http://www.aimwwwwebs.com), will constitute such person's acceptance of any changes or additions to the Usage Policy.

Subscribers violate this Usage Policy when they (or their affiliates or customers) engage in the following prohibited activities.

### **Violations of Intellectual Property Rights**

Any violation of any person's intellectual property rights, rights of privacy, rights of publicity or other personal rights is prohibited. AIM Consulting is required by law to remove or block access to content appearing on or through the Services upon receipt of proper notice of copyright infringement (see "Copyright Infringement Notice Information" below).

### **Spamming**

Spamming, whether or not it overloads the Services or disrupts service to AIM Consulting's Subscribers, is prohibited. The term "spamming" includes, but is not limited to, the sending of unsolicited bulk and/or commercial message over the Internet or maintaining an open SMTP policy. AIM Consulting reserves the right to determine, in its sole and absolute discretion, whether e-mail recipients were from an opt-in email list.

### **Misrepresentation of Transmission Information**

Forging, misrepresenting, omitting, or deleting message headers, return mailing information and/or Internet protocol addresses to conceal or misidentify the origin of a message is prohibited.

### **Viruses and Other Destructive Activities**

Use of the Services for creating or sending Internet viruses, worms or Trojan horses, or for pinging, flooding or mail bombing, or engaging in denial of service attacks is prohibited. It is also prohibited for any Subscriber to

engage in other activity that is intended to disrupt or interfere with, or that results in the disruption of or interference with, the ability of others to effectively use the Services (or any connected network, system, service or equipment) or conduct their business over the Internet.

### **Hacking**

"Hacking" and related activities is prohibited. "Hacking" includes, but is not limited to, the following activities: illegally or without authorization, accessing computers, accounts or networks, penetrating or attempting to penetrate security measures, port scans, stealth scans, and other activities designed to assist in hacking.

### **Export Control Violations**

The exportation of encryption software outside of the United States and/or violations of United States law relating to the exportation of software is prohibited.

### **Child Pornography**

The use of the Services to store, post, display, transmit, advertise or otherwise make available child pornography is prohibited. AIM Consulting is required by law, and will, notify law enforcement agencies when it becomes aware of the presence of child pornography on, or being transmitted through, the Services.

### **Other Illegal Activities**

The use of the Services to engage in any activities that are determined by AIM Consulting, in its sole and absolute discretion, to be illegal is prohibited. Such illegal activities include, but are not limited to, storing, posting, displaying, transmitting or otherwise making available ponzi or pyramid schemes, fraudulently charging credit cards or displaying credit card information of third parties without their consent, and failure to comply with applicable on-line privacy laws. AIM Consulting will cooperate fully with appropriate law enforcement agencies in connection with any and all illegal activities occurring on or through the Services.

### **Obscene, Defamatory, Abusive or Threatening Language**

Use of the Services determined by AIM Consulting, in its sole and absolute discretion, to store, post, transmit, display or otherwise make available obscene, defamatory, harassing, abusive or threatening language is prohibited.

### **Other Activities**

Engaging in any activity that, in AIM Consulting's sole and absolute discretion, disrupts, interferes with or is harmful to (or threatens to disrupt, interfere with, or be harmful to) the Services, AIM Consulting's business, operations, reputation, goodwill, customers and/or customer relations, or the ability of AIM Consulting's customers to effectively use the Services is prohibited. Such prohibited activities include making available any program, product or service that is designed to or could be used to violate this Usage Policy. In addition, the failure by a Subscriber to cooperate with AIM Consulting in correcting or preventing violations of this Usage Policy by, or that result from the activity of, a customer of the Subscriber is a violation of this Usage Policy.

In general, AIM Consulting does not monitor its customers' websites or activities to determine whether they are in compliance with this Usage Policy. However, when AIM Consulting becomes aware of any violation of this Usage Policy or its User Agreement, AIM Consulting may take any action to stop or correct such violation, including, but not limited to, shutting down a website, denying access to the Services or to the Internet, and/or removing information. In addition, AIM Consulting may take action against a Subscriber or a customer of such Subscriber because of the activities of such customer. AIM Consulting reserves the right to take any such action even though such action may affect other customers of the Subscriber.

AIM Consulting may disclose any information in its possession, including, without limitation, information about Subscribers, internet transmissions and website activity in order to comply with a court order, subpoena, summons, discovery request, warrant, statute, regulation or governmental request, to protect AIM Consulting or others from harm, and/or to ensure the proper operation of the Services. AIM Consulting has no obligation to notify any person, including the Subscriber about whom information is sought, that AIM Consulting has provided the information.

### **Copyright Notice Infringement Information**

In accordance with the Digital Millennium Copyright Act, AIM Consulting has adopted a policy that provides for termination of websites hosted by AIM Consulting that are found to infringe on copyrights of third parties. If a copyright holder believes that there has been a violation of his or her copyright on a website that is hosted by AIM Consulting or its subsidiaries, and the copyright holder wants AIM Consulting to remove the website or disable the material in question, AIM Consulting will remove the website or disable the material if the copyright holder

provides us with all of the following information:

1. A signature of a person authorized to act on behalf of the owner of the exclusive right that is allegedly infringed. Identification of the copyrighted work that is claimed is being infringed, or, in the case of claimed infringement of multiple copyrighted works, a representative list of such works.
2. Identification of the material that is claimed to be infringing or is the subject of infringing activity and that should be removed or access to which should be disabled, with information reasonably sufficient to permit us to locate the material.
3. A statement that the person giving the notification has a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law.
4. A statement that the information in the notification is accurate, and under penalty of perjury, that the person giving the notification is authorized to act on behalf of the owner of the exclusive right that is allegedly infringed.
